

A special 'Wild Flicks' screening

Thurs 24th April at 7pm

This month, The Wilderness Society Newcastle and Newcastle Amnesty have teamed up to present a special Wild Flicks screening of Australian documentary 'Utopia'.

This stark and increasingly important look into one of the most unique parts of our nation, which is home to the oldest human presence on Earth, takes place in northern Australia, across the land that has come to be known as Utopia.

Location: The Commons Cafe, Level 1, 150 Beaumont Street, Hamilton
