John Pilger's epic new film, **Utopia**, had its premiere in the urban heart of Indigenous Australia, in the Middle of Sydney, on 17 January. The crowd filled the equivalent of two football pitches. Indigenous and non-indigenous Australians came from all over the country to hear call for a renewed struggle for justice and freedom for Australia's first people .

Utopia, is named by the London Film Review as [one of the five best films of the year.](#)

Utopia is a vast region in northern Australia and home to the oldest human presence on earth. "This film is a journey into that secret country," says Pilger in *Utopia*. "It will describe not only the uniqueness of the first Australians, but their trail of tears and betrayal and resistance - from one utopia to another".

The book, "*In the Absence of Treaty*", published by **concerned** **Australians**, will be introduced and made available for sale.

Construction activity

A number of major developments are under way on campus in 2013. For updated versions of this map, please go to www.deakin.edu.au/maps and for major project information go to www.deakin.edu.au/about/facilities/index.php

Litter

Please use the appropriate bins to dispose of your rubbish, both on and off campus.

Parking

On-campus parking is very limited, so you are encouraged to seek alternatives such as public transport or cycling, or to carpool. For more information go to www.viclink.com.au. To park on campus, you will normally need a parking permit. Staff and students can buy long- or short-term permits from the Cashier or Deakin Central. Day permits are available from permit vending machines in car parks and near campus entrances. Please note that buying a permit allows you to park in defined zones, but does not guarantee that a space will be available. See www.deakin.edu.au/parking. There are a limited number of free car parking spaces in Car Park 20. Though a parking permit is not required in this Car Park, parking regulations apply and vehicles must park within the designated area. This Car Park is a considerable distance from most activities on campus, so may involve a long walk in sometimes inclement conditions.

Smoking

Smoking is not allowed in, or within 10 metres of, University buildings or where there is a no smoking sign.

Security

Security Officers are available on campus 24 hours a day, seven days a week. Call 222 from any internal phone, or 1800 062 579 or 5227 2222 from any phone. Subject to availability, a Security Officer can accompany you to your vehicle or another location on campus whenever you do not feel comfortable making the trip alone. Call 10 minutes before you wish to leave. For more information, collect a Security brochure from Deakin Central or go to www.deakin.edu.au/security
