

A Working Shower for all Australians

The current rate of working showers in over 7,400 Indigenous houses tested around Australia is only 35%. Evidence assembled over the last 2 years points to this rate dropping to 28% by 2018. How could this be possible given the current \$5.5 billion National Partnership Agreement on Remote Indigenous Housing?

The Amnesty International NSW Demand Dignity Action Group presents:

Aboriginal and Torres Strait Islander Housing Forum

Weds 17th October 2012 - 6pm for 6.30pm
Teachers Federation Conference Centre
37 Reservoir St, Surry Hills Sydney

Speakers:

Jeff McMullen *Formerly Four Corners*
Paul Pholeros *Healthabitat*
Sarah Marland *Amnesty International*
More speakers to be announced

All welcome RSVP: <http://www.amnesty.org.au/nsw/event/29666/>

See 5 min preview of Forum speaker Paul Pholeros at <http://vimeo.com/49592666>
