The book has been produced by 'concerned Australians', a network formed in 2007 in response to the serious injustices in the Northern Territory Intervention. "A Decision to Discriminate" focuses on the recent Stronger Futures legislation. Using direct quotations, the authors expose the harshness of the measures and the inadequacies of the local consultations.

*Afternoon tea provided*

*Entry is free*

*To assist with catering, RSVP to Narana (5241 5700) by Monday 29<sup>th</sup> April 2013*
