

“A Decision to Discriminate”

‘concerned Australians’

Aboriginal Disempowerment in the Northern Territory

This book follows on from the highly regarded “*This Is What We Said*” (February 2010), “*Walk with Us*” (August 2011) and “*NT Consultations Report 2011: By Quotations*” (February 2012).

Through the use of direct quotation, this new book is an important historical record that focuses on the Senate Committee Inquiry into the Stronger Futures legislation. It shows how the Government decision-making process chose to ignore the views expressed by many Aboriginal people of the Northern Territory communities, in much the same way as has happened since colonisation.
